

# HOUSE PARTY

WING LUKE MUSEUM – 11.07.21

## WELL-COME BACK

Your classmate's cousin's parents are out of town, and their boyfriend's band is having a rager/concert at their house. Everyone is invited – the kid next door, the mean girls, the band nerds, the asian hotties, the person you've been crushing on for ages. Grab some liquid courage, cuz you're not gonna wanna miss this.

Leaning into a true "House Party" theme, this is a party that is intimate, welcoming and buzzing with excitement.

**BOLD – UNPRETENTIOUS**  
**WELCOMING – BUZZING**
